Category: Job Fair/ Participation of events or programs sponsored by educational institutions relating to career opportunities in broadcasting:

SEU broadcasted live from, promoted, and attended the Oxford-Lafayette Career Job Fair at the Lafayette County Multi-purpose Arena on April 6, 2023. The SEU General Manager attended the event, spoke with students about career opportunities in broadcasting, and then accepted applications from interested individuals for a portion of the event open to the general public. An estimated 400 students and adults attended the event. Many participants picked up information sheets about job opportunities with the SEU. Schools attending the event included Oxford, Lafayette County, Pontotoc, Vardaman, Bruce and Calhoun City.

Category: EEO Training

On December 6, 2023, SEU General Manager attended training provided by Company COO and General Counsel regarding FCC EEO policies and requirements and importance of EEO initiatives.

Category: Provide career development assistance pertinent to broadcasting

SEU General manager consulted with Broadcast Media instructor at local high school who desired to launch a student radio station to train students for careers in broadcasting. SEU General Manager gave instructor ideas and list of necessary resources she may need to get process started.

Category: Disseminate Information About Broadcast Careers

From January 18, 2023, through December 31, 2023, Mondays and Wednesdays weekly, the stations in this employment unit ran 30 second announcements to recruit organizations who would

like to receive information regarding job openings in the SEU. We have had no organizations request notification of job openings.
